

PURPOSE

The Entrepreneurship Written Event involves the development of a proposal to start a new business, a self-analysis (including the willingness to take risks), an analysis of the business situation, a description of the way the business will operate and detailed plans for financing the business through its first three years of operation. Any type of business may be used.

The Entrepreneurship Written Event will provide the participants with the opportunity to

- prepare a written proposal for a new business
- request financing for the proposal in a role-playing interview with a bank or venture capital official

PROCEDURE

- The project consists of two major parts: the **written document** and the **oral presentation**. The written document will account for 60 points, and the oral presentation will account for the remaining 40 of the total 100 points.
- Each event entry will be composed of **one to three members** of a DECA chapter. All participants must present the project to the judge. All participants present must respond to questions.
- The body of the written entry must be limited to **30 numbered pages**, including the appendix (if an appendix is attached), but excluding the title page and the table of contents.
- The **Written Event Statement of Assurances** must be signed and submitted with the entry. Do not include it in the page numbering.
- The participants may bring all visual aids to the event briefing. Only approved visual aids may be used during the presentation.
- The oral presentation may be a maximum 15 minutes in length. The first 10 minutes will include an explanation and description of the project followed by 5 minutes for the judge's questions.
- The judge will evaluate the presentation, focusing on the effectiveness of public speaking and presentation skills and how well the participants respond to questions that the judge may ask during the 3 minutes following the presentation.

2. The entry must be submitted in an official DECA written event folio. Folios are available from DECA IMAGES (FOLIO). No markings, tape or other material should be attached to the folio. One photocopy or the original typed document must be submitted. Participants may keep a copy for use in the presentation.

- The participants, assuming the role of entrepreneurs, will have prepared a detailed description of a proposed new business, including an analysis of the business situation, planned operation of the proposed business and planned financing. The role of the judge is that of a potential source of capital for the business who evaluates as if actually going to approve (or disapprove) the request for financing.
- The participants will present the project to the judge in a 15-minute presentation worth 40 points. (See Presentation Judging.)
- The presentation begins immediately after the introduction of the participants to the judge by the adult assistant. Each participant must take part in the presentation.
- The participants will spend not more than 10 minutes, at the beginning of the presentation, describing the proposal and making the request for financing. Each participant may bring a copy of the written entry or note cards pertaining to the written entry and use as reference during the presentation.
- The judge will spend the remaining 5 minutes questioning the participants. (See the Presentation Evaluation Form.) Each participant must respond to at least one question posed by the judge.
- The chapter representatives may use the following items during the oral presentation:

 - sound, as long as the volume is kept at a conversational level.
- Only visual aids that can be easily carried to the presentation by the actual chapter representatives will be permitted, and the chapter representatives themselves must set up the visuals. No set-up time will be allowed. Chapter representatives must furnish their own materials and equipment. No electrical power or Internet connection will be supplied.
- Materials appropriate to the situation may be handed to or left with judges in all competitive events. Items of monetary value may be handed to but may not be left with judges. Items such as flyers, brochures, pamphlets and business cards may be handed to or left with the judge. No food or drinks allowed.
- If any of these rules are violated, the adult assistant must be notified by the judge.

PRESENTATION JUDGING

Each participant will make a 15-minute presentation to you. You are role-playing a loan officer or venture capitalist. You may refer to the written entry, or to notes, during the presentation.

During the first 10 minutes of the presentation (after introduction), the participant will describe the proposal and make the request for financing. Allow the participants to complete this portion without interruption, unless you are asked to respond. Each participant must take part in the presentation.

During the final 5 minutes, you may question the participants. The first four questions must be based on the Presentation Evaluation Form. To ensure fairness, you must ask each participant or group of participants the same four questions:

1. one question on analyzing the business situation
2. one question on planning the operation of the proposed business
3. one question on planning income, cash flow and financial position
4. one question on planning to meet capital needs

These four questions should be prepared following the written entry evaluation but before the presentation begins.

After asking the four questions, you may ask additional questions that seem appropriate, based on your notes or on the written entry itself (to which you may refer during the presentation).

At the conclusion of the presentation, thank the participants. Then complete the Presentation Evaluation Form, making sure to record a score for all categories. Maximum score for the presentation is 40 points.
